

Global Aerospace Workers' Compensation Program Submission Requirements

To receive a Workers' Compensation quote, we **must** receive the following information:

- Fully completed ACORD Workers' Compensation Application
 - a. Attach Loss Runs for the previous 5 years;
 - b. Include Premium for previous 3 years.

- Fully completed Supplemental Aviation Information Worksheet with attachments (in addition to ACORD application)

Application and Worksheet are located in "Downloads" section of our website:
www.global-aero.com.

- * Regarding additional coverages for Foreign, USL&H, Stop Gap – advise the exposure for the request for these coverages.

If available, the following would be appreciated:

1. Copy of current Workers' Compensation policy information pages.
(Include the effective date of coverage, payrolls by classification codes, premium levels and experience modification factors)
